# BARNYARD BIRTHDAY PARTIES

Our birthday party packages are an unforgettable experience for the young and the old!

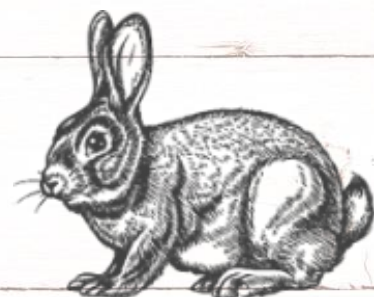

Come and enjoy some fresh country air, surrounded with our friendly farm animals and make this birthday, one to remember! They can enjoy all the fun of our undercover 'Party Barnyard' whilst taking part in the hands-on activities available 'Down on the Farm'! This makes for a unique and unrivalled birthday experience.

You can also bring food to cook on one of our BBQs, complete with oil, tomato sauce and cooking utensils to make your day that little bit easier! We can help you arrange catering from the cafe next door, or you are welcome to bring in and arrange your own food!

## Party Times Available

Morning - 10:00 to 12:00  
Afternoon - 1:00 to 3:00

*We DO run two parties at the same time, this means you will have one side of the barn, whilst the other party uses the other side of the barn at the same booking time) - Capacity restrictions apply. Sole barn hire available, please contact us for further information.*

# LET'S START THIS PARTY!

## PLEASE NOTE:

Your day starts at the front office with our farmer from 9.45am or 12.45pm (depending on which timeslot you have chosen). Your farmer will take yourself/a couple of nominated adults through to the barn for you to set up your party. At this time, we ask that all children remain at the front reception with adult supervision and can continue to welcome the arrival of your guests at 10.00am or 1.00pm (dependent on your timeslot)

Your Farmer will sticker up all guests as they arrive and full payment can be made in the office.

Once your guests have all arrived and you are ready to get started, your Farmer will bring your group down to the barn, give them a short introductory talk and then out onto the farm you go!

*There is a short walk to the barn so ensure you are able to carry all your items. Please note, prior entry to the farm is not allowed for guests.*

# FAQ'S

## What time can I arrive to set up?

The barn will be ready from 9.45am or 12.45pm (depending on which time slot you have chosen). It is not possible for this to be ready any earlier. You may not enter the farm until you have checked in at Reception AND a Farmer has taken you through to the barn.

## What happens if it's raining?

All of our activities still run when it is raining. Contact us at least 24 hours before your booking if you are considering not going ahead because of the weather and we can reschedule you (subject to availability). We recommend in winter to let your guests know to prepare for cold and rain – so bring rain jackets and covered shoes/gumboots. The kiddies love the day regardless!

## Does my deposit go toward my party?

Yes, your \$100.00 deposit is taken off your payment on the day. It is non-refundable if you cancel your booking within 4 weeks of your booking date. Please refer to your Booking Confirmation.

## When do I pay?

Payment is required once all your guests have arrived or before your time slot ends. I.e. by 12pm or 3pm latest (depending on which time slot you have chosen).

## How do birthdays usually do payments for their guests

Some parties pay for the whole party and others decide to ask parents to pay for themselves, as it's only \$10.00. Please provide a guest list to reception, the week of your party and state who you are paying for and who will be paying for themselves (if applicable). This saves time on the day!

## How will my day run?

Morning parties ALWAYS begin with the farm activities by 10.15am and then have food afterwards at approximately 11.20am. Afternoon parties have the choice of starting with the tour or eating first. If doing the tour first, this needs to start by 1.15pm the latest and you will be back into the barn for lunch at approximately 2.20pm. If eating first, you will need to be ready to start the tour at 2.00pm.

## How many people can we invite?

All parties MUST be under 50 people in total - this includes all children and adults attending. Unless you have made prior exclusive hire arrangements.

# TAKE NOTE
